

## Change of Address

Having your current home mailing address on file with the TRS is very important. Many important documents are mailed to each member such as your *Advisor*, TRS Board of Control Election ballots, Annual Statement of Account, and RSA-1 statement. Please report any change of address to the TRS in writing, with signature, either by letter or [ADDRESS CHANGE NOTIFICATION](#) form. Address changes cannot be made through email or over the phone. You may also change your address online through **Member Online Services**.
